Re: Duplicate Payment - Refund Request under 37 CFR 1.26

Dear Sir:

Enclosed are photocopies of my checks #1046 and #3256, each for \$170. These checks represent a duplicate payment. Please send a refund for \$170 to me at the address above.

I paid \$170 by check #1046 on December 10, 2001 for an assignment recordation (\$40) and a surcharge for late filing (\$130) of the oath/declaration for the application having serial number 09/960,080 (attorney docket EVS-ABBI001). These papers appeared to have been lost in the mail, so I sent check #3256 on January 23, 2002 for the same fees. Both checks were cashed on Jan. 31, 2002.

I am also enclosing a photocopy of the return receipt postcards I received, showing the Office stamp acknowledging receipt of the duplicate papers (and checks).

If you need further information, please contact me at the above phone number.
